Atul Tripathi

Senior Frontend Developer

Bangalore, India | 8929208818 | atul31815@gmail.com | LinkedIn | Portfolio | GitHub

Results-driven Senior Frontend Developer with 4+ years of experience building responsive, high-performance web applications using React.js, Next.js, and Redux. Skilled in creating scalable component architectures, integrating REST APIs, and optimizing user experiences. Adept at leading UI initiatives, mentoring teams, and delivering pixel-perfect, accessible interfaces that drive engagement and retention.

TECHNICAL SKILLS

Frontend: React.js, Next.js, Redux, React Native, Tailwind CSS, Bootstrap, HTML5, CSS3

Backend: Node.js, Express.js, Firebase

Databases: MongoDB, MySQL

Dev Tools: Git, GitHub, Bitbucket

Design: Adobe Illustrator, Figma

Web3: Ethers.js, Metamask Integration

Programming Languages: JavaScript (ES6+), Python, C++, Java, C

PROFESSIONAL EXPERIENCE

Sr. Software Engineer (Frontend Developer) **Apr 2025 – Present**

Riskcovry | Bangalore, India

- Led frontend architecture decisions across multiple React projects, improving the scalability and maintainability of the codebase.
- Mentored junior developers, fostering a collaborative learning environment and improving team productivity.
- Designed and implemented a reusable design system with 20+ components, reducing UI inconsistencies and accelerating development cycles.
- Conducted code reviews and enforced best practices, increasing overall code quality and reducing bugs by 40%.
- Collaborated with backend and product teams to define technical requirements and deliver features with minimal rework.

Software Engineer (Frontend Developer) **Jul 2022 – Apr 2025**

Riskcovry | Bangalore, India

- Developed 15+ reusable React components, enhancing UI consistency and reducing development time by 30%.
- Integrated REST APIs into 5+ frontend applications, ensuring seamless data handling and improving user experience.
- Implemented state management solutions using Redux, boosting application stability and maintainability by 25%.
- Collaborated with cross-functional teams of 5+ members, delivering high-quality web solutions and improving user satisfaction by 20%.

Frontend Developer (Intern) **Jan 2022 – Apr 2022**

Riskcovry | Remote

- Contributed to the development of 5+ responsive web applications using React, increasing user engagement by 20%.
- Developed and executed 10+ reusable UI components, reducing development time by 30%.
- Debugged and optimized front-end code, resulting in a 15% improvement in loading speed and performance.

PROJECTS

Portfolio | *React.js, Next.js, Tailwind, React Reveal*

- Built a portfolio website showcasing 10+ projects and modern UI/UX skills.
- Increased client engagement by 40% through interactive, animated layouts.
- Highlighted expertise in responsive and high-performance frontend development.

Short Bio | *React, Web3, Ethers, Next.js, Tailwind*

- Built a web app featuring 100+ biographies of renowned individuals.
- Incorporated social media sharing for WhatsApp and Twitter, boosting user interaction by 40%.

Track Daily | *React.js, Next.js V15, Tailwind, Firebase*

- Developed a habit-tracking app with 50+ users to monitor and build positive daily habits.
- Applied real-time database storage, ensuring accurate and up-to-date habit tracking.

Bear Pro | *React, Web3, Ethers, Next.js, Tailwind*

- Built a Web3 app with 100+ users for quick token minting via Metamask integration.
- Reduced minting time to seconds, enhancing overall user experience.

EDUCATION

Master of Computer Applications (MCA) **2023 – 2025**

Chandigarh University | CGPA: 8.2

Bachelor of Science (Computer Science) **2019 – 2022**

Acharya Narendra Dev College, University of Delhi | CGPA: 8.5

CERTIFICATIONS

Responsive Web Design – freeCodeCamp (2021) • JavaScript Algorithms & Data Structures – freeCodeCamp (2021) • Software Engineering Virtual Experience – JPMorgan (2021) • Full Stack Web Development – freeCodeCamp (2022) • Adobe Illustrator CC 2022 – Self-taught via YouTube (2022)
